#### Collection of levy from Farmers

(14) SRI M. B. RAMASWAMY (Anekal).—Will the Minister for Food and Civil Supplies be pleased to state :—

- (a) the total quantum of foodgrains of levy that was fixed for the year 1972-73, 1973-74, 1974-75 (Talukwise information may be furnished).  
 (b) the basis on which levy is fixed.  
 (c) how the levy to be collected from farmers is assessed; is it on the basis of extent of land held by him or on the basis of crop.  
 (d) How crop experiments are conducted to assess the yield?

SMT E. E. VAZ (Minister for Food and Civil Supplies).—

(a) A statement showing the levy fixed for the State (Talukwise) is appended.

(b) Levy is fixed taking into consideration the source of irrigation and the extent of holdings.

(c) Levy is being assessed on the basis of actual area under cultivation and the condition of crop also. While fixing the levy the yield is also taken into consideration.

(d) The crop experiments are generally conducted in each village on crops grown on different types of soil namely, good soil, normal soil, inferior soil, and an average worked out.

This will be done with the assistance of the staff of the Agricultural Department and also Statistical Department as per the procedure laid down in the manual of crop estimates survey. The enforcement officers will conduct the crop cutting experiments. This will facilitate the assessment of the yield and also will be a basis to recommend for the remission of assessment in case of failure of crops.
